I. Introduction

The Corporate Announcements Feed (CAF) is a market data product that provides subscribers with listed company disclosures after its submission to the Exchange. CAF includes (a) submissions from listed companies that are either structured (corporate filings) or unstructured (corporate disclosures), (b) listings notices to include initial public offerings (IPOs) and follow-on offerings and (c) disclosure notices(*Refer to Annex A*).

Disclosures and notices are available to subscribers via:

- Electronic Mail (Email) with body containing information in text format about the corporate announcement, as well as a URL link to the actual announcement; and
- File Transfer Protocol (FTP) server access, containing the running 30-day announcements.

Additionally, subscribers will also receive at the end of each trading day an email containing a summary digest of all corporate announcements of the day.
