**TO : THE INVESTING PUBLIC AND TRADING PARTICIPANTS**

**SUBJECT : THE KEEPERS HOLDINGS, INC. ("KEEPR")  
(LIFTING OF LOWER STATIC THRESHOLD)**

**DATE : November 4, 2021**

Please be advised that in connection with the trading of The Keepers Holdings, Inc. ("KEEPR") shares on November 19, 2021, the listing date of the KEEPR shares subject of their follow-on offering, the lower static threshold for KEEPR will be lifted pursuant to Section 6(c) of Article VII of the Revised Trading Rules.

KEEPR has an ongoing follow-on offering with a bookbuilt price of Php1.50 per share, below the lower static threshold based on the last traded price prior to trading suspension last July 8, 2021.

Hence, the Exchange has determined the need to lift the lower static threshold while maintaining the upper static threshold on the resumption of trading of shares of KEEPR. Pursuant to the Revised Trading Rules, only the lower static threshold shall be lifted until such time that the trades have been executed which will eventually be the basis of the floor price on the following day.

This regulatory action will allow a market-determined price to be formed on the basis of actual trades by investors upon the resumption of trading of KEEPR shares.

For your information and guidance.

(Original Signed)  
**RAMON S. MONZON**  
President and CEO
